

Call for Papers: 3rd PANORisk Conference November 29 and 30, 2018 at Audencia Business School, Nantes (France)

PANORisk is a regional project sponsored by Région Pays de la Loire that involves several institutions (Audencia Business School, ESSCA School of Management, University of Angers, University of Le Mans, and University of Nantes). The aim of the PANORisk project is to promote scientific research in the field of risk management and to help investors and policymakers in the area of product placement, insurance and new types of risk.

The conference theme is “Risk, Markets, and the Real Economy” and it will be an opportunity for academics and professionals to present theoretical and empirical contributions on topics including, but not limited to:

- Regulation (MiFID II, Solvency II, Basel III);
- Market microstructure and High Frequency Trading;
- Liquidity risk;
- Hedging;
- Insurance;
- Systemic risk and economic growth;
- Extreme event modelling;
- Corporate risk management;
- New frontiers in risk modelling.

Keynote speaker

Prof. Thierry Foucault, Professor of Finance, HEC, Paris

Organizing committee

Ramzi Benkraiem, Audencia Business School
Amélie Charles, Audencia Business School
Iordanis Kalaitzoglou, Audencia Business School
Joëlle Miffre, Audencia Business School
Giacomo Nocera, Audencia Business School

Two best paper awards for a total amount of €1,000

All articles presented at the conference are eligible to the awards. One of the two prizes will be granted to an outstanding paper authored by a Ph.D. student or a junior researcher.
