

Call for Papers: 4th PANORisk Conference December 12 and 13, 2019 at the University of Angers, France

The University of Angers invites you to the [4th Annual PANORisk Conference](#), Angers, France on December 12-13, 2019. [PANORisk](#) is a regional project sponsored by Région Pays de la Loire and involves researchers in economics, finance and mathematics from five academic institutions, namely University of Angers, University of Le Mans, University of Nantes, Audencia Nantes, and ESSCA School of Management Angers.

Building on the success of the previous conferences since 2016, we have the pleasure to organize for the fourth year an event related to *The Roadmap of Long-Term Value Creation*. It aims to foster a dynamic scientific exchange among academic researchers, practitioners and policy makers on the challenges and regulatory priorities raised by the changing corporate and financial environment.
