

Call for Papers

PANORisk Research day

CSR, Ethics & Financial Risks

Date: 29 November, 2019

Venue: ESSCA School of Management, Angers

Submission Deadline: 30 October, 2019

Notification of Decision: 05 November, 2019

Registration Deadline: 15 November, 2019

The next PANORisk research day will be held at ESSCA School of Management, Angers. PANORisk is a regional project sponsored by La Région Pays de la Loire that involves several high-education institutions, namely, ESSCA School of Management, Audencia Nantes, University of Angers, University of Le Mans, and University of Nantes. The aim of the project PANORisk is to promote scientific research in the field of risk, help investors better understand risks embedded in their decisions and frame their expectations about the future and forward-looking regulators and policymakers promote financial stability and better target their interventions in all areas such as product placement, savings plan and risk management.

The research day will be an opportunity for academics and professionals to present their recent research. The main topics of the event include, but not limited to:

- CSR Risks
- CSR in the Crisis
- CSR and risk management
- Financial risks
- Ethics in Finance
- Ethics in risk management
- Financial Crisis
- Alternative Finance
- Sustainable in Finance
